

Sermon Series:
The Good Life: Wisdom from Proverbs
Sunday 14th July 2024
The Good Life.....and Death

Is wisdom overrated? Solomon still failed God despite being so wise, yet Proverbs values wisdom above so many other attributes.

Did Jesus speak in proverbs? So much of his teachings were framed around discrete and pithy statements.

We are saved by grace and free of the power of death. Freedom to live a full life, but does that bring a responsibility to live our best lives or more sacrificial lives?

Jim Davis
