Sermon Series: Symbols of the Spirit
Sermon Title: Wind and Breath
Bible Reading: John 20:19-23

Here are some questions for the home groups but of course they should feel free to raise their own questions after hearing the sermon.

1. Why do you think Jesus showed the disciples his hands and side?
2. Why do you think John tells us that Thomas wasn't there and what does that tell us about doubt?
3. Where do you feel you need more of the new life in the Holy Spirit in
 - i. The place where you live
 - ii. Your community
 - iii. Your own life?

If you have time these then supplementary questions are:

- What 'luggage' are you bringing as you gather now?
- Why did Jesus give the disciples this commission to forgive sins or not and what does that mean?
